**Name : Ms. Olga Skorupka**

---

I would like to recommend Ms. Skorupka from olgatlumaczy.pl as a trusted and professional interpreting services provider, who exceeds expectations and adapts to demanding working environments.

Ms. Skorupka provided teams of interpreters working with Polish, English and Ukrainian as well as simultaneous equipment and streaming services. She delivered the project at a short notice working across time zones for a high level event with participation of Korean and Ukrainian diplomats, ministers, parliamentarians and business people – “Supporting Ukraine for Humanitarian Aid & Recovery Projects”.

The participants appreciated the high quality of interpretation and elegance of delivery. I am sure that interpreting provided by Ms. Skorupka contributed to the success of the event.
